

Which do you like better, eating at home or eating at restaurants?

Ken's opinion

I like **eating at home. Because I like my mother's cooking. She is a good cook. And there are 6 people in my family, so if we go to restaurants, we have to pay a lot of money.**

So, I want to stay at home and enjoy mother's cooking with my family.

Which do you like better, eating at home or eating at restaurants?

Lisa's opinion

I like **eating at restaurants**. Because I like spaghetti very much. So, if I go to restaurants, I can choose favorite spaghetti from the menu. I like my mother's cooking, but she is not good at making spaghetti.

That's why I like eating at restaurants.

Which do you like better, watching movies at movie theaters or at home?

Meg's opinion

I like watching movies at movie theaters.

Because I want to enjoy movies with a big screen and good sound. And I like eating popcorn and some drink with watching movies. I think the chairs in the movie theaters are very comfortable. So, I like watching movies at movie theaters.

Which do you like better, watching movies at movie theaters or at home?

Mike's opinion

I like watching movies at home. Because it is easy. If I go to a movie theater, I have to check the opening time and have to buy a ticket or wait for the movie until start. But if I watch a movie at home, I can watch it in my free time. I don't need to wait. So, I like watching movies at home.
